### **Schull Community College**

A decision on an application for admission will be based on the implementation of this Policy, the information set out in the annual Admission Notice of the school and the information provided by the Applicant in the application for admission, once received before the closing date set out in the annual Admission Notice. ## INTRODUCTION TO SCHULL COMMUNITY COLLEGE

---

On December 21<sup>st</sup> 1978, the Schull Development Association asked the Co. Cork VEC to build a post-primary college to service the needs of the Mizen Peninsula. The Department of Education and Skills sanctioned the project and with the goodwill of the Church of Ireland authorities, the Committee purchased an excellent 11 acre site on the edge of Schull village and harbour.

The College was initially constructed to cater for 180 pupils and officially opened in September 1983. Today it provides a comprehensive and innovative programme of education for almost 400 students and is the sole provider of second level education for the area west of Ballydehob to Mizen Head.

Since 1983 there have been a number of additional facilities added to the college:

- Construction of Squash Courts
- Construction of Schull Planetarium
- Construction of Fastnet Marine & Outdoor Education Centre
- Construction of Schull Observatory
- A significant extension opened in April 2005
- A further extension of two classrooms in September 2015
- A significant investment in making the College more accessible
- A multi-disabilities classroom opened in 2019

Our school is dedicated to providing a rich and innovative learning environment where students are provided with ongoing opportunities, allowing them to reach their full potential and to excel in new areas. We help our students to develop the skills that will allow them to live fulfilling lives and be active participants in society. We provide a broad curriculum and an extensive range of co-curricular and extra-curricular activities.

## 1 GLOSSARY OF TERMS

---

**'Applicant'** means the parent / guardian of a Student, or, in the case of a Student who has reached the age of 18 years, the Student, who has made an application for admission to Schull Community College.

**'Student'** means the person in respect of whom the application is being made. All uses of the word throughout this Policy therefore imply 'prospective' as part of the interpretation. That is, the use of the word 'Student' does not mean that the application for him/her has been accepted such that s/he is regarded as a Student of Schull Community College by virtue of application alone.

**'Gender'**, in line with the definition of "*the gender ground*" in the Equal Status Act 2000, is such that "*one is male and the other is female*". This does not prejudice any Student who is Intersex or identifies as Androgynous/Androgyne, Bigender, Demigender, Gender Fluid, Genderqueer, Multigender, Neutrois, Non-binary, Transgender, Transsexual or otherwise.

**'Catchment Area'** refers to the designated residential area for application to Schull Community College in respect of the person on whose behalf the application is being made. The catchment area for Schull Community College is defined as:

- Entire Mizen peninsula
- East as far as the 'Crooked' Bridge
- North to Durrus

**'Parent'** has the same meaning as in the Education Act 1998 and includes a foster parent and a guardian appointed under the Guardianship of Children Acts, 1964 to 1997.

**'Feeder Primary Schools'** refers to the primary schools of preference for application to Schull Community College. The feeder primary schools for Schull Community College are:

- Scoil Mhuire NS, Meenvane, Schull, Co. Cork
- St Mathais NS, 1 Church Rd., Ballydehob, Co. Cork
- Scoil Bhride NS, Greenmount Rd., Ballydehob, Co. Cork
- Goleen NS, Goleen, Co. Cork

- Kilcoe NS, Murrahin South, Skibbereen, Co. Cork

For the purpose of the selection criterion relating to the student having a sibling who previously attended the school, '**Sibling**' refers to full siblings, half-siblings, foster-siblings and step-siblings.

'**Special Class**' means a class that has, with the approval of the Minister of Education and Skills, been established by a school to provide an education exclusively for Students with a category or categories of special educational needs specified by the Minister of Education and Skills . Schull Community College has a Special Class, established to cater for special educational needs of students with Multiple Disabilities.

'**First-Year**' means the intake group of Students for the most junior class or year in a school.

## 2 ADMISSION STATEMENT

---

Schull Community College is a designated Community College. Designated Community Colleges are established by the signing of a model agreement between an ETB and the local Catholic Bishop and/or a religious congregation. CETB is the patron of the school. The model agreement provides for the participation of the Diocese of Cork and Ross in the organisation and management of the community college on an ongoing basis.

Schull Community College was established in 1983 in a spirit of partnership between CETB and the Diocese of Cork and Ross. The inherited traditions, values and founding intentions of CETB and the Diocese of Cork and Ross remain enshrined in the characteristic spirit and in the life of our school.

Our school is a state, co-educational, multi-denominational school underpinned by the core values of:

- Excellence in Education;
- Care;
- Equality;
- Community and
- Respect.

All members of our school community are treated equally, regardless of their race, gender, religion/belief, age, family status, marital status, membership of the Traveller community, sexual orientation, ability or socio-economic status. In our school all students are given equal opportunity for enrolment, in line with the Education (Admissions to School) Act (2018). Once enrolled, our school strives to provide all our students with equal opportunities to engage with the curriculum and school life.

Our school provides a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. We strive to enable every student to realise their full potential regardless of any aspect of their identity or background. Our school promotes a fully inclusive education which recognises the plurality of identities, beliefs and values held by students,

parents and staff. We prepare open-minded, culturally sensitive and responsible citizens with a strong sense of shared values.

Our school is multi-denominational. We welcome, respect and support students of all religions and beliefs. The provision of religious education, religious worship and the work of the Chaplain all combine to reflect the founding intention of the school, the school's mission statement and the needs of the students within the school. The characteristic spirit of the school finds practical expression through the provision of pastoral, liturgical and social outreach activities, as appropriate, for each student.

Accordingly, Schull Community College shall not discriminate in its admission of a Student based on the following grounds:

- 2.1. Gender of the Student or Applicant. However, where a school admits students of one gender only, it is not discriminatory to refuse to admit Students not of that gender;
- 2.2. Civil status of the Student or Applicant;
- 2.3. Family status of the Student or Applicant;
- 2.4. Sexual orientation of the Student or Applicant;
- 2.5. Religion of the Student or Applicant;
- 2.6. Disability of the Student or Applicant;
- 2.7. Race of the Student or Applicant;
- 2.8. The Student's or Applicant's membership of the Traveller community;
- 2.9. Special educational needs of the Student or Applicant. However, where the school provides education exclusively for a category or categories of special educational need(s) in a Special Class, it is not discriminatory to refuse to admit to that class a Student who does not have the specified special educational need(s).

Schull Community College shall not charge fees or payments or seek contributions as a condition of admission or continued enrolment of a Student.

### 3 LEGAL FRAMEWORK

---

CETB was established under the Education and Training Board Act 2013 which sets out the functions of all ETBs, including to establish and maintain recognised schools, centres for education and education and training facilities in each ETB's functional area.

The board of management of Schull Community College is a committee established under section 44 of the Education and Training Board Act 2013 and also constitutes a board of management within the meaning of the Education Act 1998.

The Education (Admission to Schools) Act 2018 and the Education (Welfare) Act 2000 place a duty on all recognised schools to prepare and publish an Admission Policy.

The Education Act, 1998 provides for an appeal process in the event of a refusal to enrol. The appeal process is set out in section 5.3 in respect of applications made to the First-Year Group and in section 6.3 in respect of applications made to all years other than the First-Year Group.

Section 62(7)(n) of the Education Act 1998 requires each school to set out in its Admission Policy the arrangements it has in place where a parent, or student over 18 years of age, requests that the student opt-out of religious instruction.

Schull Community College offers *religious education* in all year groups as it promotes the holistic development of students and can contribute positively to their wellbeing in line with the principles of the Junior Cycle and Senior Cycle Frameworks and the model agreement. It facilitates the intellectual, social, emotional, spiritual values and moral development of students and encourages respect for all members of our school communities. In addition, *religious education* supports the 'multi-denominational' aspect of our school's ethos as it provides opportunities for students to engage with questions around their own religious or nonreligious beliefs and those of their peers.

It is important to understand that our school does not provide '*religious instruction*' and therefore the legal requirement to advise of the option to opt-out of religious instruction does not arise in

this school. It is also important to understand the distinction between '*religious instruction*' and '*religious education*':

- *Religious instruction* is a term used in Ireland to indicate instruction in accordance with the rites, practices and teachings of a **particular** religion or denomination for pupils of that religious tradition.
- *Religious education* is open to all pupils regardless of their commitment to any particular religion or worldview. It seeks to contribute to the spiritual and moral development of all students equally.

As ETB schools are 'multi-denominational', Schull Community College supports the provision of *religious education* that caters for all students regardless of their religious or non-religious beliefs.

Parents or students over the age of 18 who wish to opt-out of *religious education* must make a written submission to the principal in the first instance. The submission should outline reasons why the opt-out is being requested. The principal will then arrange to meet with the parent(s) or student over the age of 18 to discuss the request. If after that meeting the parent or student over the age of 18 still wishes to opt out of *religious education*, the school will facilitate this in the following way: supporting student and their parent / guardian to design a programme of study that can be undertaken independently by student during religion class.

## 4 GENERAL ADMISSION PROVISIONS

---

A decision on an application for admission shall be based on:

- the implementation of this Admission Policy,
- the annual Admission Notice of the school, and the
- information provided by the Applicant in the application for admission.

If, prior to the commencement of section 62 of the Education Act 1998 by the Education (Admission to Schools) Act 2018 on the 1<sup>st</sup> February 2020, Schull Community College had confirmed, in writing, that an Applicant had been placed on a list relating to the allocation of school places for entrance before the 1<sup>st</sup> February 2025, then this confirmation is still valid and the Applicant will be offered that place.

In processing an application Schull Community College **shall not consider**:

- 4.1 The payment of fees or contributions to the school;
- 4.2 A Student's academic ability, skills or aptitude; unless:
  - it is necessary to ascertain whether or not the Student has the category of special educational needs concerned for admission to a school approved by the Minister of Education and Skills providing education exclusively to Students with a specified category of special educational needs or a special class
- 4.3 The occupation, financial status, academic ability, skills or aptitude of a Student's Parent(s);

4.6 The date and time on which an application for admission was received by the school as long as it is received during the period specified for receiving applications set out in the annual Admission Notice for that academic year.

**Schull Community College will consider** the offer of a place to every Student seeking admission to the school, **unless one of the following applies:**

4.7 The Parent fails to confirm in writing that s/he accepts the Student Code of Behaviour and he/she shall make all reasonable efforts to ensure compliance with such code by the Student;

4.8 The Student seeking admission to a Special Class in the school does not have the category of special educational needs specified by the Minister of Education and Skills in respect of that class.

Where Schull Community College considers an application, each Student shall receive a place, unless the school is oversubscribed, in which case, selection criteria will be applied to each application.

Section 5 of this Policy addresses the selection criteria and other matters related to the admission provisions for the First-Year Group.

Section 6 of this Policy addresses the selection criteria and other matters related to the admission provisions for all year groups other than First-Year.

Where Schull Community College is in a position to offer further school places that become available for and during that academic year, places will be offered in accordance with the order of priority in which Students have been placed on the waiting list.

For the avoidance of doubt, if a Student does not receive a place in the school for a given academic year, but s/he wishes to be considered for admission to the same year group in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications to all year groups other than First-Year.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a Student is admitted to the school.

### **5.1.3 Selection process**

Schull Community College will apply the selection process as follows:

Applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the school still has places available, the remaining Applicants are considered in light of the second criterion and those Applicants who meet this criterion will be offered a place within the school. This process is continuously carried out until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Schull Community College will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

### **5.1.4 Late applications**

An application received by Schull Community College after the closing date published by the school, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where Schull Community College is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed

on the waiting list in accordance with the date and time they were received by the school and subsequently the school's selection criteria will be applied in accordance with this Admission Policy.

Where Schull Community College is not oversubscribed and it receives a late application, the Student seeking admission will receive an offer of a place within the school, subject to sections 4.7 and 4.8 and the same process as applies to Applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school within 2 weeks of issue.

#### **5.1.5 Second/third-round offers of a place**

This process will continue throughout third and fourth rounds *etc.* until all places within the school have been filled.

#### **5.1.6 Acceptance of a place**

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School's Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the School's Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for refusal as set out below.

  - (ii) whether or not or s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the Student on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that Student shall be treated as a late application in line with section 5.1.4 above.

### **5.1.9 Appeals**

For information relating to an Applicant's right to appeal a decision of Schull Community College regarding admission to the First-Year Group, see section 5.2.

## **5.2. APPEALS**

---

### **5.2.1 Appeal where refusal was due to oversubscription:**

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must submit his/her appeal in writing, via a Section 29 Appeal Application Form, available from the school office and on the school's website, for it to be reviewed by the board of management of Schull Community College at Colla Rd., Schull, Co. Cork, [office.schull@corketb.ie](mailto:office.schull@corketb.ie). Such an appeal must be brought within fourteen calendar days of receipt by the Applicant of the school's decision to refuse to admit. If an Applicant is not satisfied with the decision of the board of management, or the board of management is not in a position to review the decision to refuse admission, the Applicant may apply to bring an appeal to an appeals committee established by the Minister for Education and Skills under section 29A of the Education Act 1998.

### **5.2.2 Appeal where refusal was for a reason other than oversubscription:**

An Applicant who was refused admission to Schull Community College for a reason other than the school being oversubscribed and who wishes to appeal this decision may choose to put his/her appeal in writing, via a Section 29 Appeal Application Form, available from the school office and on the school's website, for it to be reviewed by the board of management of Schull Community College. Such an appeal must be brought within fourteen calendar days of receipt by the Applicant of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education and Skills after the publication of this policy, same shall apply instead.

Alternatively, s/he may choose to apply to bring an appeal to an appeals committee established by the Minister for Education and Skills under section 29A of the Education Act 1998.

If an Applicant who chooses to appeal to the board of management is not satisfied with the decision of the board of management, the Applicant may also apply to bring an appeal to an

appeals committee established by the Minister for Education and Skills under section 29A of the Education Act 1998.

**5.3.1. Basis for appeal:**

As required by section 29C(2) of the Education Act 1998, an application to appeal must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to appeal the decision.

A Relevant Report confirming the special educational need and the recommendation for the special class, completed within the last 12 months, must also be provided to the school with this Application Form so as to be considered for admission to the special class.

Where the Special Class in Schull Community College is not oversubscribed, all Students whose needs fall within the category of special educational needs provided for by the Special Class will be offered a place in the Special Class, subject to section 4.7.

In line with section 4.9, where the Special Class in Schull Community College is not oversubscribed, all Children whose needs fall within the category of special educational needs provided for by the Special Class will be offered a place in the Special Class, subject to section 4.7.

### **7.1.1 Oversubscription:**

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 7.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where Schull Community College is in a position to offer further school places that become available for and during that academic year, places will be offered in accordance with the order of priority in which Students have been placed on the waiting list.

For the avoidance of doubt, if a Student does not receive a place in the school for a given academic year, but s/he wishes to be considered for admission to the same year group in the following academic year, a new application must be made on behalf of that Student during the dates

specified by the school as being the period when it will accept applications made to all years other than the First-Year Group.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a Student is admitted to the school.

### **7.1.2 Selection criteria in order of priority:**

Applications to the Special Class will only be considered if the Student's needs fall within the specified category of special educational needs provided for by this class. Subject to this requirement, in the event of oversubscription, the following criteria for admission to the Special Class will apply:

- 7.1.2.6 All other Applicants

### **7.1.3 Selection process**

Schull Community College will apply the selection process as follows:

Having met the criteria for admission to the Special Class, applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the school still has places available the remaining Applicants are considered against the second criterion and those Applicants who meet this criterion will be offered a place within the school. This process is continuously carried out until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Schull Community College will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

#### **7.1.4 Late applications:**

An application received by Schull Community College after the closing date published by the College, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where Schull Community College is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school and subsequently the school's selection criteria will be applied in accordance with this Admission Policy.

Where Schull Community College is not oversubscribed and it receives a late application, the Student seeking admission will receive an offer of a place within Schull Community College subject to sections 4.7 and 4.8. and the same process as applies to Applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school within 2 weeks of issue.

Where a Student is in receipt of an offer of a place within Schull Community College but does not accept the offer, or fails to accept within the specified time period, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next Student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the school have been filled.

### **7.1.6 Acceptance of a place:**

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.
