POLICY FOR ADMISSION TO SCHOOL YEAR 2023-2024

Schull Community College

A decision on an application for admission will be based on the implementation of this Policy, the information set out in the annual Admission Notice of the school and the information provided by the Applicant in the application for admission, once received before the closing date set out in the annual Admission Notice. The Principal of Schull Community College is responsible for the implementation of this Admission Policy.

INTRODUCTION TO SCHULL COMMUNITY COLLEGE

On December 21st, 1978, the Schull Development Association asked the Co. Cork VEC to build a post-primary college to service the needs of the Mizen Peninsula. The Department of Education and Skills sanctioned the project and with the goodwill of the Church of Ireland authorities, the Committee purchased an excellent 11-acre site on the edge of Schull village and harbour.

The College was initially constructed to cater for 180 pupils and officially opened in September 1983. Today it provides a comprehensive and innovative programme of education for almost 400 students and is the sole provider of second level education for the area west of Ballydehob to Mizen Head.

Since 1983 there have been a number of additional facilities added to the college:

- Construction of Squash Courts
- Construction of Schull Planetarium
- Construction of the Fastnet Marine & Outdoor Education Centre
- Construction of Schull Observatory
- A significant extension opened in April 2005
- A further extension of two classrooms in September 2015
- A significant investment in making the College more accessible
- A multi-disabilities classroom opened in 2019

Schull Community College is a co-educational and multi-denominational College with a strong Christian ethos. It is a Designated Community College under the joint trusteeship of Cork Education and Training Board and the Diocese of Cork and Ross.

Our school is dedicated to providing a rich and innovative learning environment where students are provided with ongoing opportunities, allowing them to reach their full potential and to excel in new areas. We help our students to develop the skills that will allow them to live fulfilling lives

and be active participants in society. We provide a broad curriculum and an extensive range of co-curricular and extra-curricular activities.

1 GLOSSARY OF TERMS

'Applicant' means the parent / guardian of a Student, or, in the case of a Student who has reached the age of 18 years, the Student, who has made an application for admission to Schull Community College

'Student' means the person in respect of whom the application is being made. All uses of the word throughout this Policy therefore imply 'prospective' as part of the interpretation. That is, the use of the word 'Student' does not mean that an application or acceptance of offer makes him/her a student of Schull Community College; a person is only regarded as a student of Schull Community College once s/he is enrolled on his/her first day of attendance.

'Enrolled' means attending the school as a registered student, in line with section 20(2) of the Education (Welfare) Act 2000.

'Gender', in line with the definition of "*the gender ground*" in the Equal Status Act 2000, is such that "*one is male and the other is female*". This does not prejudice any Student who is Intersex or identifies as Androgynous/Androgyne, Bigender, Demigender, Gender Fluid, Genderqueer, Multigender, Neutrois, Non-binary, Transgender, Transsexual or otherwise.

'Catchment Area' refers to the designated residential area for application to all classes in Schull Community College in respect of the person on whose behalf the application is being made. The catchment area for Schull Community College is defined as:

- Entire Mizen peninsula
- East as far as the 'Crooked' Bridge
- North to Durrus

'Parent' has the same meaning as in the Education Act 1998 and includes a foster parent and a guardian appointed under the Guardianship of Children Acts, 1964 to 1997.

'Feeder Primary Schools' refers to the primary schools of preference for application to Schull Community College. The feeder primary schools for Schull Community College are:

- Scoil Mhuire NS, Meenvane, Schull, Co. Cork
- St Mathais NS, 1 Church Rd., Ballydehob, Co. Cork
- Scoil Bhride NS, Greenmount Rd., Ballydehob, Co. Cork
- Goleen NS, Goleen, Co. Cork
- Kilcoe NS, Murrahin South, Skibbereen, Co. Cork

For the purpose of the selection criterion relating to the student having a sibling who previously attended the school, **'Sibling'** refers to full siblings, half-siblings, foster-siblings and step-siblings.

'Special Class' means a class that has, with the approval of the Minister of Education, been established by a school to provide an education exclusively for Students with a category or categories of special educational needs specified by the Minister of Education. Schull Community College has a Special Class, established to cater for special educational needs of Students with Multiple Disabilities.

'Relevant Report', as advised by the Department of Education and the National Council for Special Education (NCSE), means a written report based on an assessment by a relevant professional who makes a recommendation for a Special Class placement. The relevant professional may include an educational psychologist, psychologist, other relevant health professionals, HSE disability services or HSE multi-disciplinary team staff, in line with guidance issued by the NCSE on this point.

'First-Year' means the intake group of Students for the most junior class or year in a school.

2 ADMISSION STATEMENT

Schull Community College is a designated Community College. Designated Community Colleges are established by the signing of a model agreement between an ETB and the local Catholic Bishop and/or a religious congregation. CETB is the patron of the school. The model agreement provides for the participation of the Diocese of Cork and Ross in the organisation and management of the community college on an ongoing basis.

Schull Community College was established in 1983 in a spirit of partnership between CETB and the Diocese of Cork and Ross. The inherited traditions, values and founding intentions of CETB and the Diocese of Cork and Ross remain enshrined in the characteristic spirit and in the life of our school.

Our school is a state, co-educational, multi-denominational school underpinned by the core values of:

- Excellence in Education;
- Care;
- Equality;
- Community and
- Respect.

All members of our school community are treated equally, regardless of their race, gender, religion/belief, age, family status, marital status, membership of the Traveller community, sexual orientation, ability or socio-economic status. In our school all students are given equal opportunity for enrolment, in line with the Education (Admissions to School) Act (2018). Once enrolled, our school strives to provide all our students with equal opportunities to engage with the curriculum and school life.

Our school provides a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. We strive to enable every student to realise their full potential regardless of any aspect of their identity or background. Our school promotes a fully inclusive education which recognises the plurality of identities, beliefs and values held by students,

parents and staff. We prepare open-minded, culturally sensitive and responsible citizens with a strong sense of shared values.

Our school is multi-denominational. We welcome, respect and support students of all religions and beliefs. The provision of religious education, religious worship and the work of the Chaplain all combine to reflect the founding intention of the school, the school's mission statement and the needs of the students within the school. The characteristic spirit of the school finds practical expression through the provision of pastoral, liturgical and social outreach activities, as appropriate, for each student.

Accordingly, Schull Community College shall not discriminate in its admission of a Student based on the following grounds:

- 2.1. Gender of the Student or Applicant. However, where a school admits students of one gender only, it is not discriminatory to refuse to admit Students not of that gender;
- 2.2. Civil status of the Student or Applicant;
- 2.3. Family status of the Student or Applicant;
- 2.4. Sexual orientation of the Student or Applicant;
- 2.5. Religion of the Student or Applicant;
- 2.6. Disability of the Student or Applicant;
- 2.7. Race of the Student or Applicant;
- 2.8. The Student's or Applicant's membership of the Traveller community;
- 2.9. Special educational needs of the Student or Applicant. However, where the school provides education exclusively for a category or categories of special educational need(s) in a Special Class, it is not discriminatory to refuse to admit to that class a Student who does not have the specified special educational need(s).
- 2.10.

Schull Community College shall not charge fees or payments or seek contributions as a condition of admission or continued enrolment of a Student.

3 LEGAL FRAMEWORK

Cork ETB was established under the Education and Training Board Act 2013 which sets out the functions of all ETBs, including to establish and maintain recognised schools, centres for education and education and training facilities in each ETB's functional area.

The board of management of Schull Community College is a committee established under section 44 of the Education and Training Board Act 2013 and also constitutes a board of management within the meaning of the Education Act 1998.

The Education (Admission to Schools) Act 2018 and the Education (Welfare) Act 2000 place a duty on all recognised schools to prepare and publish an Admission Policy.

The Education Act 1998 provides for an appeal process in the event of a refusal to admit a Student. The appeal process is set out in section 5.3 in respect of applications made to the First-Year Group and in section 6.3 in respect of applications made to all years other than the First-Year Group.

Section 62(7)(n) of the Education Act 1998 requires each school to set out in its Admission Policy the arrangements it has in place where a parent, or student over 18 years of age, requests that the student opt-out of religious instruction.

Schull Community College offers *religious education* in all year groups as it promotes the holistic development of students and can contribute positively to their wellbeing in line with the principles of the Junior Cycle and Senior Cycle Frameworks and the model agreement. It facilitates the intellectual, social, emotional, spiritual values and moral development of students and encourages respect for all members of our school communities. In addition, *religious education* supports the 'multi-denominational' aspect of our school's ethos as it provides opportunities for students to engage with questions around their own religious or nonreligious beliefs and those of their peers.

4 GENERAL ADMISSION PROVISIONS

A decision on an application for admission shall be based on:

- the implementation of this Admission Policy,
- the annual Admission Notice of the school, and the
- information provided by the Applicant in the application for admission.

If, prior to the commencement of section 62 of the Education Act 1998 by the Education (Admission to Schools) Act 2018 on the 1st February 2020, Schull Community College had confirmed, in writing, that an Applicant had been placed on a list relating to the allocation of school places for entrance before the 1st February 2025, then this confirmation is still valid and the Applicant will be offered that place.

In processing an application Schull Community College **shall not consider**:

- 4.1 The payment of fees or contributions to the school;
- 4.2 A Student's academic ability, skills or aptitude; unless

it is necessary to ascertain whether or not the Student has the category of special educational needs concerned for admission to a school approved by the Minister of Education providing education exclusively to Students with a specified category of special educational needs or a special class;
- 4.3 The occupation, financial status, academic ability, skills or aptitude of a Student's Parent(s);
- 4.4 A requirement that a Student or his or her Parent(s), attend an interview, open day or other meeting as a condition of admission;
- 4.5 A Student's connection to the school due to a member of his or her family attending or having previously attended the school unless the connection is a sibling of the Student

concerned attending, or having attended, the school, However, the maximum number of places filled by this criterion does not exceed 25% of the available places as set out in the school's Admission Notice for that academic year.

- 4.6 The date and time on which an application for admission was received by the school as long as it is received during the period specified for receiving applications set out in the annual Admission Notice for that academic year.

Schull Community College will consider the offer of a place to every Student seeking admission to the school, **unless one of the following applies:**

- 4.7 The Parent fails to confirm in writing that s/he accepts the Student Code of Behaviour and he/she shall make all reasonable efforts to ensure compliance with such code by the Student;

- 4.8 The Student seeking admission to a Special Class in the school does not have the category of special educational needs specified by the Minister of Education in respect of that class.

Where Schull Community College considers an application, each Student shall receive a place, unless the school is oversubscribed, in which case, selection criteria will be applied to each application.

Section 5 of this Policy addresses the selection criteria and other matters related to the admission provisions for the First-Year Group.

Section 6 of this Policy addresses the selection criteria and other matters related to the admission provisions for all year groups other than First-Year.

Section 7 of this Policy addresses the selection criteria and other matters related to the admission provisions for the Special Class.

5.1 ADMISSION PROVISIONS (FIRST-YEAR GROUP)

Where Schull Community College is not oversubscribed, all Students will be offered a school place, subject to sections 4.7, and 4.8.

A Student applying for the First-Year Group but seeking admission to the Special Class should see section 7 of this Admission Policy. If the Student is also applying for a place in the mainstream First-Year Group in the event of an unsuccessful application to the Special Class, this section 5 is also applicable.

5.1.1 Oversubscription

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 5.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where Schull Community College is in a position to offer further school places that become available for and during that academic year, places will be offered in accordance with the order of priority in which Students have been placed on the waiting list, subject to the provisions of section 7.1.1 regarding the Special Class.

For the avoidance of doubt, if a Student does not receive a place in the school for a given academic year, but s/he wishes to be considered for admission in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications to all year groups other than First-Year.

Where an application is made on behalf of a Student for both the Special Class and a mainstream year group, and his/her application for one but not both is successful, s/he will remain in the same position on the waiting list for the group to which s/he was not successful, regardless of whether the Applicant accepts the place in the group to which the Student was successful.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a Student is admitted to the school.

5.1.2 Selection criteria in order of priority

Schull Community College will apply the following criteria for admission to the First-Year Group:

5.1.2.1 Applicants who have siblings that are existing students at Schull Community College

5.1.2.2 Applicants who had siblings that were students of Schull Community College in the past

5.1.2.3 Applicants who are the children of a current staff member of Schull Community College

5.1.2.4 Applicants who live in the catchment area and attend one of the following primary schools or who are in a DES recognised home school arrangement in the catchment area: Schull National School, Scoil Bhride, Ballydehob, St. Matthias National School, Ballydehob, Goleen National School, Kilcoe National School.

5.1.2.5 Applicants who live in the catchment area and attend schools other than the schools listed above.

5.1.2.6 All other Applicants

5.1.3 Selection process

Schull Community College will apply the selection process as follows:

Applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the school still has places available, the remaining Applicants are considered in light of the second criterion and those Applicants who meet this criterion will be offered a place within the school. This process is continuously carried out until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Schull Community College will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

N.B. The number of places available in a year group is subject to reduction in the event that a placement(s) in the Special Class is/are given to Student(s) from that year group, *i.e.* the selection process for the Special Class will be completed before the selection process for the mainstream year group and the number of Students who are offered a place in the Special Class will be the number by which the places in the relevant mainstream year group(s) are reduced¹.

5.1.4 Late applications

An application received by Schull Community College after the closing date published by the school, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where Schull Community College is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school, subject to section(s) 4.7, and 4.8.

Where Schull Community College is not oversubscribed and it receives a late application, the Student seeking admission will receive an offer of a place within the school, subject to sections 4.7 and 4.8 and the same process as applies to Applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school within 2 weeks of issue.

5.1.5 Second/third-round offers of a place

Where a Student is in receipt of an offer of a place within Schull Community College but does not accept the offer, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next Student on the waiting list in a second-round of offers. This

¹ This approach is based on section 2 of the Education for Persons with Special Educational Needs (EPSEN) Act 2004, which requires that: “*A child with special educational needs shall be educated in an inclusive environment with children who do not have such needs unless the nature or degree of those needs of the child is such that to do so would be inconsistent with the best interests of the child as determined in accordance with any assessment carried out or the effective provision of education for children with whom the child is to be educated.*”

process will continue throughout third and fourth rounds *etc.* until all places within the school have been filled.

5.1.6 Acceptance of a place

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School's Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the School's Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for withdrawal of an offer, as set out below.

5.1.7 Refusal

Where a Student in respect of whom an application is being sought has not been offered a school place, the Applicant will be provided in writing with:

- 5.1.7.1. The reasons that the Student was not offered a place in Schull Community College
- 5.1.7.2. Details of the Student's ranking against the published selection criteria, if the year group to which the Applicant is applying is oversubscribed;
- 5.1.7.3. Details of the Student's place on the waiting list, if applicable; and
- 5.1.7.4. Details of the Applicant's right to appeal the decision.

In addition to the conditions for consideration of an application as set out at 4.7, and 4.8, an offer of admission may not be made where:

- 5.1.7.5. The information contained in the application is false or misleading in a material respect.

5.1.8 Withdrawal of an offer

An offer of admission may be withdrawn where:

- 5.1.8.1. The information contained in the application is false or misleading in a material respect, or
- 5.1.8.2. The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks, or
- 5.1.8.3. An Applicant has not indicated:
- (i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s); and
 - (ii) whether or not s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the student on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that Student shall be treated as a late application in line with section 5.1.4 above.

5.1.9 Appeals

For information relating to an Applicant's right to appeal a decision of Schull Community College regarding admission to the First-Year Group, see section 5.3.

5.2. APPEALS

5.3.1. **Appeal where refusal was due to oversubscription:**

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must first request a review by the board of management in writing, via a 'BOMR1 Form', available from the school office and on the school's website, for it to be reviewed by the board of management of Schull Community College. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing office.schull@corketb.ie

If an Applicant is not satisfied with the decision of the board of management, or the board of management is not in a position to review the decision to refuse admission, the Applicant may apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form' and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education. The 'Section 29 Appeal Form' may be downloaded from the Department's website or may be obtained directly from the Section 29 Appeals Administration Unit in the Department of Education. Contact details for the Unit are available on the Department's website. As per the Department of Education's *'Procedures for hearing and determining appeals under section 29'*, such an appeal must not be brought until the Applicant has received correspondence from the board of management in relation to the review, or until 42 calendar days have passed since the date of initial refusal and may not be brought later than 63 calendar days after the initial decision to refuse admission.

5.3.2. **Appeal where refusal was for a reason other than oversubscription:**

An Applicant who was refused admission to Schull Community College for a reason other than the school being oversubscribed and who wishes to appeal this decision may first choose to request a review by the board of management, via a 'BOMR1 Form', available from the school office and on the school's website, for it to be reviewed by the board of management of Schull Community College. Such a review must be sought by the Applicant within twenty-one calendar days of the

school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing office.schull@corketb.ie. (An applicant may withdraw a request for review at any time prior to the conclusion of the review by notifying the board of management in writing to that effect.)

Alternatively, s/he may choose to apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form' and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education. The 'Section 29 Appeal Form' may be downloaded from the Department's website or may be obtained directly from the Section 29 Appeals Administration Unit in the Department of Education. Contact details for the Unit are available on the Department's website. As per the Department of Education's *'Procedures for hearing and determining appeals under section 29'*, such an appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

If an Applicant who seeks a review by the board of management is not satisfied with the decision of the board of management, that Applicant may also apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998, as outlined in the immediately preceding paragraph.

5.3.3. Basis for a review by the board of management:

As required by section 29C(2) of the Education Act 1998, any request for the board of management to review a decision of the school to refuse admission must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to review the decision.

6.1.4 Late applications:

An application received by Schull Community College after the closing date published by Schull Community College and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where Schull Community College is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school, subject to sections 4.7 and 4.8,

² This approach is based on section 2 of the Education for Persons with Special Educational Needs (EPSEN) Act 2004, which requires that: “*A child with special educational needs shall be educated in an inclusive environment with children who do not have such needs unless the nature or degree of those needs of the child is such that to do so would be inconsistent with the best interests of the child as determined in accordance with any assessment carried out or the effective provision of education for children with whom the child is to be educated.*”

Where Schull Community College is not oversubscribed and it receives a late application, the Student seeking admission will receive an offer of a place within Schull Community College subject to sections 4.7 and 4.8, and the same process as applies to Applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school within 2 weeks of issue.

6.1.5 Second/third-round offers of a place

Where a Student is in receipt of an offer of a place within Schull Community College but does not accept the offer, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next Student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the school have been filled.

6.1.6 Acceptance of a place:

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for withdrawal of an offer, as set out below.

6.1.7 Refusal:

Where a Student in respect of whom an application is being sought has not been offered a school place, the Applicant will be provided in writing with:

- 6.1.7.1. The reasons that the Student was not offered a place in Schull Community College
- 6.1.7.2. Details of the Student's ranking against the published selection criteria, if the year group to which the Applicant is applying is oversubscribed,
- 6.1.7.3. Details of the Student's place on the waiting list, if applicable, and
- 6.1.7.4. Details of the Applicant's right to appeal the decision.

In addition to the conditions for consideration of an application as set out at 4.7, and 4.8, an offer of admission may not be made where:

- 6.1.7.5. The information contained in the application is false or misleading in a material respect.

6.1.8 Withdrawal of an offer

An offer of admission may be withdrawn where:

- 6.1.8.1. The information contained in the application is false or misleading in a material respect, or
- 6.1.8.2. The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks, or
- 6.1.8.3. An Applicant has not indicated:
 - (i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s); and
 - (ii) whether or not s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the Student on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any

subsequent applications for the same academic year on behalf of that Student shall be treated as a late application in line with section 6.1.4 above.

6.1.9 Appeals:

For information relating to an Applicant's right to appeal a decision of Schull Community College regarding admission to a year group other than First-Year, see section 6.3.

APPLICATION TO THE SPECIAL CLASS

7 APPLICATION TO THE SPECIAL CLASS

7.1. Admission Provisions for the Special Class

- 7.1.1. Oversubscription
- 7.1.2. Selection criteria in order of priority
- 7.1.3. Selection process
- 7.1.4. Late Applications
- 7.1.5. Second/third-round offers of a place
- 7.1.6. Acceptance of a place
- 7.1.7. Refusal
- 7.1.8. Withdrawal of an offer

7.2. Appeals

- 7.2.1. Appeal where refusal was due to oversubscription
- 7.2.2. Appeal where refusal was for a reason other than oversubscription
- 7.2.3. Basis for a review by the board of management

7.1. ADMISSION PROVISIONS FOR THE SPECIAL CLASS

Schull Community College has a Special Class, established to cater for the special educational needs of Students with Multiple Disabilities.

Only applications in respect of Students whose needs fall within the category of special educational needs provided for by the Special Class will be considered. In this respect, the school requires that such needs of the student be verified in a Relevant Report which has been prepared within the 24 months immediately preceding the student's application to the Special Class.

Where the Special Class in Schull Community College is not oversubscribed, all Students whose needs fall within the category of special educational needs provided for by the Special Class, as confirmed by the NCSE, will be offered a place in the Special Class, subject to sections 4.7 and 4.8

7.1.1. Oversubscription:

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 7.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where Schull Community College is in a position to offer further places that become available in the Special Class for and during that academic year, places will be offered in accordance with the order of priority in which Students have been placed on the waiting list subject to there being a place in the relevant mainstream year group. If there is not a place available in the relevant year group, the next person on the waiting list for the Special Class will be considered for the place in question but this will not change the initial Student's place on the waiting list for the Special Class for the remainder of that school year, *i.e.* if another place subsequently became available in the Special Class during that school year, the initial Student at the top of the waiting list would be considered first, but again subject to there being a place in the relevant year group for that Student.

For clarity, if a place becomes available in a given mainstream class group, before that place is offered to a Student on the waiting list for that mainstream year group, the waiting list for the Special Class shall be reviewed and if there is a place available in the Special Class and there is a Student on the waiting list who would be able to take-up the place due to the available place in

the given mainstream year group, that Student will be offered the place in the Special Class (thereby removing the place in the mainstream year group). This is in the interest of ensuring that the scarce resources of the Special Class are never under-utilised.

Where an application is made on behalf of a Student for both the Special Class and a mainstream year group, and his/her application for one but not both is successful, s/he will remain in the same position on the waiting list for the group to which s/he was not successful, regardless of whether the Applicant accepts the place in the group to which the Student was successful.

For the avoidance of doubt, if a Student does not receive a place in the Special Class for a given academic year, but s/he wishes to be considered for admission to Special Class in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications for the Special Class.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a Student is admitted to the school.

7.1.2. Selection criteria in order of priority:

Applications to the Special Class will only be considered if the Student's needs fall within the specified category of special educational needs provided for by this class. Subject to this requirement, in the event of oversubscription, the following criteria for admission to the Special Class will apply:

6.1.2.1 Applicants who have siblings that are existing students at Schull Community College

6.1.2.2 Applicants who had siblings that were students of Schull Community College in the past

6.1.2.3 Applicants who are the children of a current staff member of Schull Community College

6.1.2.5 Applicants who live in the catchment area

7.1.3. Selection process:

Schull Community College will apply the selection process as follows:

Having met the criteria for admission to the Special Class, applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the school still has places available the remaining Applicants are considered against the second criterion and those Applicants who meet this criterion will be offered a place within the Special Class. This process is continuously carried out until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Schull Community College will apply a random lottery to assign any available places in the Special Class, or on the waiting list, to those applications.]

N.B. The number of places available in a year group is subject to reduction in the event that a placement(s) in the Special Class is/are given to Student(s) from that year group, i.e. the selection process for the Special Class will be completed before the selection process for the mainstream year group and the number of Students who are offered a place in the Special Class will be the number by which the places in the relevant mainstream year group(s) are reduced.³

7.1.4. Late applications:

An application received by Schull Community College after the closing date published by Schull Community College and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

³ This approach is based on section 2 of the Education for Persons with Special Educational Needs (EPSEN) Act 2004, which requires that: “A child with special educational needs shall be educated in an inclusive environment with children who do not have such needs unless the nature or degree of those needs of the child is such that to do so would be inconsistent with the best interests of the child as determined in accordance with any assessment carried out or the effective provision of education for children with whom the child is to be educated.”

Where Schull Community College is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school, subject to sections 4.7 and 4.8.

Where Schull Community College is not oversubscribed and it receives a late application, the Student seeking admission will receive an offer of a place within Schull Community College, subject to sections 4.7 and 4.8 and the same process as applies to Applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school within 2 weeks of issue.

7.1.5. Second/third-round offers of a place

Where a Student is in receipt of an offer of a place within Schull Community College but does not accept the offer, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next Student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the Special Class have been filled.

7.1.6. Acceptance of a place:

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the school's Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if

it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for withdrawal of an offer, as set out below.

7.1.7. Refusal:

Where a Student in respect of whom an application is being sought has not been offered a school place, the Applicant will be provided in writing with:

- 7.1.7.1 The reasons that the Student was not a offered a place in Schull Community College
- 7.1.7.2 Details of the Student's ranking against the published selection criteria, if the year group to which the applicant is applying is oversubscribed;
- 7.1.7.3 Details of the Student's place on the waiting list, if applicable; and
- 7.1.7.4 Details of the Applicant's right to appeal the decision

In addition to the conditions for consideration of an application as set out at 4.7 and 4.8, an offer of admission may not be made where:

- 7.1.7.5 The information contained in the application is false or misleading in a material respect.

7.1.8. Withdrawal of an offer

An offer of admission may be withdrawn where:

- 7.1.8.1 The information contained in the application is false or misleading in a material respect, or
- 7.1.8.2 The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks, or
- 7.1.8.3 An Applicant has not indicated:

- (i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s);
and
- (ii) whether or not s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the student on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that Student shall be treated as a late application in line with section 7.1.4 above.

7.2. APPEALS

7.2.1. Appeal where refusal was due to oversubscription:

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must first request a review by the board of management in writing, via a 'BOMR1 Form', available from the school office and on the school's website, for it to be reviewed by the board of management of Schull Community College. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing office.schull@corketb.ie.

If an Applicant is not satisfied with the decision of the board of management, or the board of management is not in a position to review the decision to refuse admission, the Applicant may apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form' and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education. The 'Section 29 Appeal Form' may be downloaded from the Department's website or may be obtained directly from the Section 29 Appeals Administration Unit in the Department of Education. Contact details for the Unit are available on the Department's website. As per the Department of Education's *'Procedures for hearing and determining appeals under section 29'*, such an appeal must not be brought until the Applicant has received correspondence from the board of management in relation to the review, or until 42 calendar days have passed since the date of initial refusal and may not be brought later than 63 calendar days after the initial decision to refuse admission.

7.2.2. Appeal where refusal was for a reason other than oversubscription:

An Applicant who was refused admission to Schull Community College for a reason other than the school being oversubscribed and who wishes to appeal this decision may first choose to request a review by the board of management, via a 'BOMR1 Form', available from the school office and on the school's website, for it to be reviewed by the board of management of Schull Community College. Such a review must be sought by the Applicant within twenty-one calendar days of the

school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing schull.office@corketb.ie. (An applicant may withdraw a request for review at any time prior to the conclusion of the review by notifying the board of management in writing to that effect.)

Alternatively, s/he may choose to apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form' and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education. The 'Section 29 Appeal Form' may be downloaded from the Department's website or may be obtained directly from the Section 29 Appeals Administration Unit in the Department of Education. Contact details for the Unit are available on the Department's website. As per the Department of Education's *'Procedures for hearing and determining appeals under section 29'*, such an appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

If an Applicant who seeks a review by the board of management is not satisfied with the decision of the board of management, that Applicant may also apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998, as outlined in the immediately preceding paragraph.

7.2.3. Basis for a review by the board of management:

As required by section 29C(2) of the Education Act 1998, any request for the board of management to review a decision of the school to refuse admission must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to review the decision.
